

Pagoda

smallrabbitdesign

The lamp shade is made of a highly tear-resistant, colourfast and water-resistant Japanese laminated paper. Each design is die-cut by a machine and folded and assembled by hand.

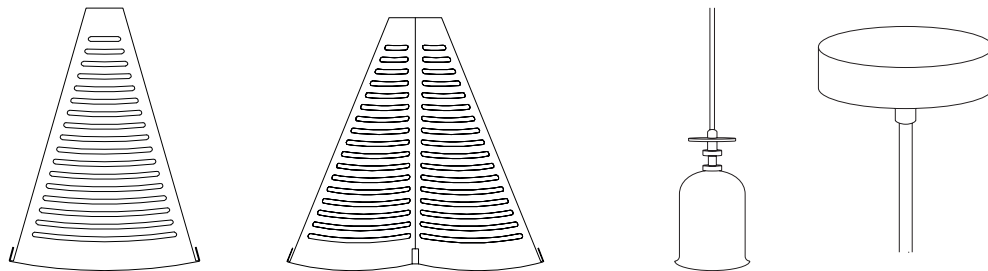

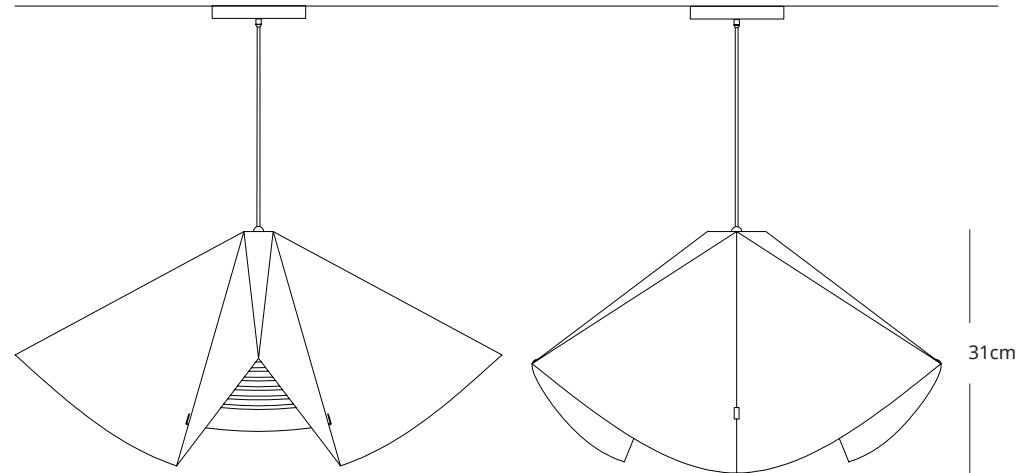

To clean the light fixture turn it off before hand. The rose and lamp shade can be wiped with a damp cloth and rubbed dry carefully.

Only use LED light bulbs for this product. Any other bulb may be a risk to your safety

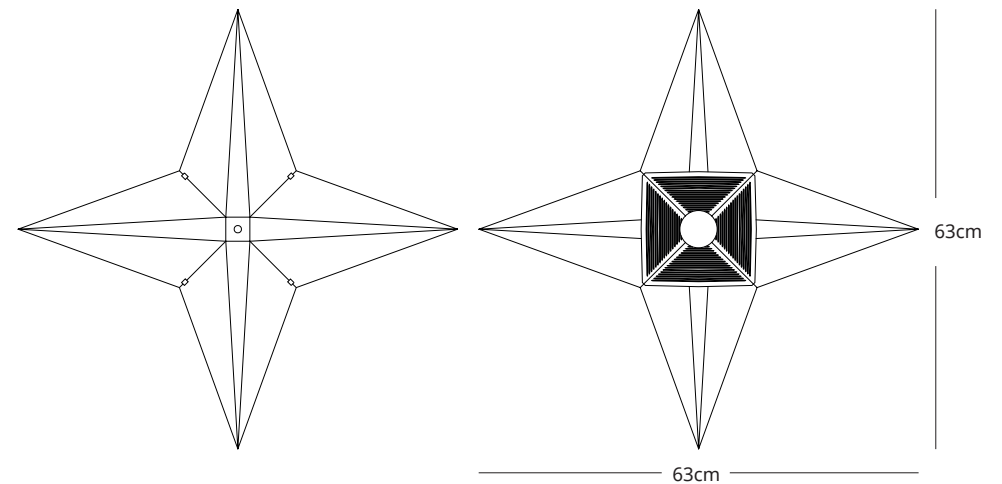

This is an interior light not to be used outside and should be kept dry, not wet.

Installation or any repairs needed must be carried out by a qualified electrician.

The light comes with a meter long electrical cord to be adjusted to desired length.

All metal components are made of anodised aluminium.

Overall weight: 1kg
